

Dear InterAmerican Campus Families and Friends:

Welcome to the 2025 - 2026 school year and our learning community! We are thrilled to welcome our students and staff back to school. It is with great honor and privilege that I accept the role of principal at BridgePrep Academy of InterAmerican. Throughout my career, I have nurtured a deep passion for working with young individuals, and I am immensely grateful for the opportunity to serve in this capacity. We hope that you were able to relax and make special memories with your friends and families. Now it is time to look forward to a wonderful new school year as we are "Anchored in Achievement." Our incredible staff of educators have been in school throughout the summer to prepare classrooms for the new school year. We are grateful to our amazing custodial staff as they worked all summer getting our school in pristine shape. Our secretarial staff are working hard to ensure a smooth start for staff, students, and families.

As the principal, I promise to keep what is best for our students at the forefront of every decision we make as a school. We will encourage and teach curiosity, problem-solving, and a life-long love of learning and service to community and others. We will foster a growth mindset so that all students will learn to face challenges with confidence and perseverance. And most of all, every child will be valued and cared for.

We look forward to an amazing and safe school year.!

Warm Regards

Dr. Antonio R. Cejas, Ed.D

Principal
